

## Lesson Policy

All lessons must hold their times with a credit card. That card or any other payment maybe used at the time of the lesson. You must give 24 hour notice to cancel your lesson or bookings. If you do not, we will be authorized to charge your credit card. To avoid any additional charges please make sure you give at least 24 hour notice when cancelling.

## CAMPS

Have the LBS run a camp at your league and receive a very generous compensation plan. Our primary objective is to make sure the youth of today is getting the correct information on how to play the game the right way. Conventional wisdom has ruined the game at the amateur level and we are here to start a baseball REVOLUTION! Learn the game from our professional staff and watch your players excel!

Use the camps as a fundraiser for your league. Does your league need equipment? Does it need new field equipment to maintain its fields? Thanks to our partnership with iFungo.com we are permitted to donate equipment for league participation! If you don't need equipment we offer a very generous monetary compensation plan which will help your league create funds which in return will better your players.
